The Man, The Seventh Secret, The Word, Significa, The Golden Room, The Miracle, The Three Sirens, The Almighty, The Prize, The Celestial Bed

The first black American president encounters resistance from a group of congressmen who wish to have him removed from the nation's highest office.

Emily Ashcroft and her father, Sir Harrison Ashcroft, have set out to write a definitive biography of Adolph Hitler. Before they can finalize their manuscript, however, a cryptic letter from a German dentist sends Sir Harrison off to attempt the excavation of the site of the Führerbunker, where Hitler and his wife, Eva Braun, lived out the final weeks of their life before committing suicide and being cremated in a shallow pit. The thing is - maybe they didn't. Unfortunately, before the excavation can begin, Ashcroft is run down in a hit-and-run that would seem accidental - except the driver backed up and ran him over a second time. Armed only with the dentist's letter, her notes, and the determination to finish her father's book, Emily Ashcroft makes her own journey to Berlin. She is joined by a Russian museum curator, an American architect writing a book on Nazi and Third Reich architecture, and a Mossad agent, posing as a reporter. Together they uncover what may be the greatest hoax ever perpetrated - the faked death of the Father of the Third Reich, and the plan to bring the Nazi party back to power. Through harrowing adventures, steamy romance, impersonators, SS guards, and survivors they piece together the missing puzzle pieces of what really happened so long ago. The only question is - are they up to the challenge, and, as they begin to close in, can they survive it?

In the Beginning, there was . . . The Word. The classic thriller of an ancient manuscript, a secret society committed to hiding an explosive truth, and the man who must uncover that truth--if he can stay alive long enough In the ruins of the ancient Roman seaport of Ostia Antica, an Italian archaeologist has discovered a first century papyrus, its faded text revealing a new gospel written by James, younger brother of Jesus. This discovery will show the world a new Jesus Christ, fill in the missing years of his ministry, contradict the existing accounts of his life--and potentially destroy the foundation of 2,000 years of Western civilization. First published in 1972, The Word remains a classic of brilliant storytelling, authentic detail and breathtaking narrative power. At the publisher's request, this title is being sold without Digital Rights Management software (DRM) applied.

The Vatican announces that the Virgin Mary will return to Lourdes this year to perform a miracle cure! Will it be a miracle? Or will it be a fraud? Precious lives, loves, and happiness are at stake: Ken Clayton: the young American who abandons medical treatment for the chance of miracle; Edith Moore: the Englishwoman whose miracle cure has made her famous against her will; Gisele Dupree, the French girl whose desperation to escape Lourdes will lead to violence; Liz Finch: the hard-bitten journalist who wants to "expose" Lourdes and its miracles... At the climax comes a surprise twist that only master storyteller Irving Wallace could pull off. First published in 1984 The Miracle has everything we expect from Wallace at his best: rich, authentic detail, fast-paced plotting, suspense, and vivid characters. Estleman, John Farris and many more by searching for CROSSROAD PRESS.

Edward Armstead's obsession with surpassing the power of his late father leads him into a ruthless quest for omnipotence and a manipulation of world events through terrorism

Novelist Andrew Craig has not been sober in a very long time. After losing his wife in an auto accident he believes to have been his own fault, he turned to the bottle, and to his sister-in-law, Leah, who acts as his caretaker and live-in nurse. Then, when he is awarded the Nobel Prize in literature for his novel, "The Perfect State," a historical jab at communism, he heads for Stockholm, hoping to find a reason to live, and to write. The other laureates have their own problems, a heart surgeon who believes that sharing his award with an Italian colleague robs him of his glory, a married couple awarded the prize in medicine in the middle of a serious marital crisis, and others - including Max Stratman, whose heart isn't really up to the trip, but who needs the prize money to provide for niece, Emily. This novel delves into the lives, loves, dreams and nightmares of these characters, and others, building a panoramic view of the Nobel Prize, life in Stockholm, and the state of world politics in the years following World War II. It is rich and compelling, driving the reader

from the pits of despair to the heights of inspiration. A wonderful novel by one of America's finest novelists. The Prize was made into a movie starring Paul Newman. SW: Six people all around the world are catapulted to international fame as they receive the most important telegraph of their lives, which invites them to Stockholm to receive the prize. This will result to be a turning point in their lives, in which personal affairs and political intrigue will engulf every one of the characters.

In his most powerful and provocative novel to date, master storyteller Irving Wallace turns his incomparable talents to the world of sex therapy. Erotically charged, compassionate, and suspenseful, *The Celestial Bed* explores the way people make love in postsexual-revolution America. Dr. Arnold Freeberg is a courageous, pioneering sex therapist whose dedication to his patients and the principles of his profession prompt him to step outside the law and utilize the most effective tool of all in combating sexual dysfunctions--sex surrogates. Although sex surrogates are highly trained and supervised professionals who guide, demonstrate, and teach people with low sexual self-esteem how to enjoy intimacy, according to the law in many states they are prostitutes. Driven out of Arizona, Dr. Freeberg establishes a new clinic in southern California with the help of his most experienced surrogate, beautiful young Gayle Miller, and a new male surrogate, movie-star-handsome Paul Brandon. But where Dr. Freeberg expected to be able to practice in peace, he encounters powerful adversaries--an ambitious district attorney, a power-hungry evangelist, a duplicitous newspaper reporter, and the violently jealous psychotic boyfriend of one of his most needy patients--who would tear down his life's work, humiliate his patients, and put him and his staff on trial for pandering and prostitution. In the riveting, swiftly-paced narrative style that made him one of America's most widely read authors, Irving Wallace takes the reader behind closed doors into the private treatment rooms where sex surrogates lead their patients through the therapeutic exercises designed to bring them to sexual fulfillment. Readers will find themselves drawn into a circle of extraordinary people dedicated to repairing the sexually wounded, and come to understand the sex therapist's essential piece of wisdom--good lovemaking is first loving yourself and then learning to share that love with another.
