School Leader Internship, 4th Edition challenges school leader interns to build competencies in 52 leadership skill areas. This unique resource provides step-by-step guidance for interns, their supervisors, and their faculty on how to initiate an internship and evaluate interns' work. In this updated fourth edition, the content is organized around the latest National Policy Board for Educational Administration (NPBEA) Professional Standards for Educational Leaders (2015) and includes intern activities to develop skills in cross-content literacy, distributive leadership, equity in practice, professional learning communities, remediation strategies, school improvement planning, and special populations. This is a critical resource for leadership preparation programs nationwide and the thousands of school districts that support leadership candidates. Special Features include: Beyond the Standards provide further independent practice, reflection, and development for students in the areas of action research, ethical and critical reasoning, dispositions and interpersonal skills, new technologies, school partnerships, and social justice. Self, Peer, and Superior Assessments help students to plan according to individual need, experience, and goals. Internship Plans allow students to assess, analyze, and prepare draft internship plans. Interview Suggestions help students develop a network and gain insight into administrative and curricular responsibility. Professional Development Activities encourage students to analyze and evaluate their experiences and plan for the future. Projects allow students to synthesize their skills.

The Unbeatable, Updated, Comprehensive Guidebook For First-Time Consultants Getting Started In Consulting More people than ever are making the jump from corporate offices to home offices, taking control of their futures, being their own bosses, and starting their own consultancies. Consulting is a bigger business than ever and growing every day. For almost a decade, Alan Weiss's Getting Started in Consulting has been an indispensable resource for anyone who wants to strike out on his own and start a new consulting business. It provides a rich source of expert advice and practical guidance, and it shows you how you can combine low overhead and a high degree of organization to add up to a six- or even seven-figure income. You'll learn everything you need to know about financing your business, marketing your services, writing winning proposals, meeting legal requirements, setting fees, keeping the books, and much more. This new Third Edition of Getting Started in Consulting is more comprehensive, up to date, and practical than ever. In addition to the nuts-and-bolts basics, you'll also get a wealth of new information and resources: How to leverage new technologies to lower your business costs and increase your profits A budget sampler that shows you how best to maximize an initial start-up investment of \$5,000, \$10,000, or \$20,000 Free downloadable tools and forms to help you design and start your business quickly and easily New interviews with consultants who achieved rapid success, including their personal stories and most effective techniques Brand-new references, examples, and appendices If your dream in life is to get out of the office and out on your own, consulting is a great way to make it happen. Make sure you do it right—and do it profitably—with Getting Started in Consulting, Third Edition.
