2016 Choice Outstanding Academic Title Finalist for 2016 Richard Wall Memorial Award by the Theatre Library Long listed for the 2017 Kraszna-Krausz Best Photography Book Award from the Kraszna-Krausz Foundation Marlene Dietrich, Greta Garbo, and Katharine Hepburn all made lasting impressions with the cinematic cross-dressing they performed onscreen. What few modern viewers realize, however, is that these seemingly daring performances of the 1930s actually came at the tail end of a long wave of gender-bending films that included more than 400 movies featuring women dressed as men. Laura Horak spent a decade scouring film archives worldwide, looking at American films made between 1908 and 1934, and what she discovered could revolutionize our understanding of gender roles in the early twentieth century. Questioning the assumption that cross-dressing women were automatically viewed as transgressive, she finds that these figures were popularly regarded as wholesome and regularly appeared onscreen in the 1910s, thus lending greater respectability to the fledgling film industry. Horak also explores how and why this perception of cross-dressed women began to change in the 1920s and early 1930s, examining how cinema played a pivotal part in the representation of lesbian identity. Girls Will Be Boys excavates a rich history of gender-bending film roles, enabling readers to appreciate the wide array of masculinities that these actresses performed—from sentimental boyhood to rugged virility to gentlemanly refinement. Taking us on a guided tour through a treasure-trove of vintage images, Girls Will Be Boys helps us view the histories of gender, sexuality, and film through fresh eyes.

Eleven stories on themes of male to female transgenderism - tales of sex change, forced feminization, sissy schools, maid training, petticoat punishment and cross-dressing. 'I was Aunt Mary's Sissy' - An eccentric aunt who dislikes boys takes her nephew in hand, and soon has the niece she desires.... 'I Turned my Husband into a Girl' - Classic tale from the point of view of the wife, who is sure that things will work out better for both of them if John is turned into Joanne.....many surprises, and a breathtaking ending. 'A Walk on the Wild Side' - Experience a taste of transgender real-life - eavesdrop on the conversation of two trans girls on the streets of Manchester's Gay Village in the 1990s. 'The Lady of the Lake' - Dark Ages fantasy inspired by the 'Iron John' story, a fairy tale first set down by the Brothers Grimm. Explores the theme of recovering lost parts of ourselves. 'How Stephen became Stephanie' - Stephen's landlady conspires with his personnel manager at work to change him into a supermarket check-out girl and part-time maid. 'New Girl on the Ward' - Nicholas has always had a 'thing' about nurses - but he never dreams that one day he will be wearing that blue uniform himself. The story of a young man's transformation into a female nurse. 'Mother's New Daughter' - A mother begins her plan to feminise her son and change him into the daughter she has always wanted. 'Virtual Reality Woman' - By the early years of the new Millennium there is an unemployed male underclass. The feminist Dr. Hannah Klonek, suggests a solution - to make boys much more like girls. A young male postgraduate is invited to wear the prototype Total Virtual Reality suit and try out the program. And so Andy becomes Laura. A surprise awaits Laura when she discovers what has been done to her real body.... Jackie and Melanie Take Charge - Kevin can't believe his luck when two attractive, sophisticated women pick him up and take him back to their hotel room in Bangkok. But Kevin has fallen into a complicated web of intrigue woven by two formidable female academics. Their research takes on a practical turn when they inveigle Kevin into dressing as a girl, and slowly Kevin is transformed completely into an attractive blonde. School for Sissies - Francois is left fatherless and his mother Lydia is appointed to a teaching job at a girls' preparatory school. Having already taken pleasure in dressing her son as a girl while he was a toddler, she decides he is to be enrolled at the school as a girl. Françoise settles into the life of a girl, and spends five happy years at St. Saviours. When Françoise is eleven years old, her mother begins to think about how Françoise's education as a girl can be continued. Lydia resolves to start her own private high school for girls, with the financial backing of wealthy friends. Lydia's 'special' educational methods of corset training, sissification and petticoat punishment are introduced. Boys who resist sissification are put into tight corsets and undergo complete petticoat punishment. The new 'girls' are started on 'vitamin' pills which are in fact female hormones. At the age of 14 or 15, a regimen of extra female hormones and anti-androgen tablets is added. By the time they are in the Sixth Form; most Stage Four transitioning girls are practically indistinguishable from their genetically female friends. What happens at Stage Five? - Well, you will need to read the story to find out... Deborah's Decision - Deborah has to

choose between a rich and successful businessman and a rather feminine Australian boy whom she meets at work. When she has a night out at a nightclub in London, Deborah encounters a beautiful young woman who turns out to be Tim, the young Australian. Who will Deborah choose - the rich businessman or the Australian girly-boy?

This edited collection examines pornography as a material practice that eroticises gender inequality and sexual violence towards women. It addresses the complex relationship between pornography and medicine (in particular, sexology and psycho-therapy) whereby medicine has historically, and currently, afforded pornography considerable legitimacy and even authority. Pornography naturalises women's submission and men's dominance as if gendered power is rooted in biology not politics. In contrast to the populist view that medicine is objective and rational, the contributors here demonstrate that medicine has been complicit with the construction of gender difference, and in that construction the relationship with pornography is not incidental but fundamental. A range of theoretical approaches critically engages with this topic in the light, firstly, of radical feminist ideas about patriarchy and the politics of gender, and, secondly, of the rapidly changing conditions of global capitalism and digital-technologies. In its broad approach, the book also engages with the ideas of Michel Foucault, particularly his refutation of the liberal hypothesis that sexuality is a deep biological and psychological human property which is repressed by traditional, patriarchal discourses and which can be freed from authoritarianism, for example by producing and consuming pornography. In taking pornography as a cultural and social phenomenon, the concepts brought to bear by the contributors critically scrutinise not only pornography and medicine, but also current media scholarship. The 21st century has witnessed a growth in (neo-)liberal academic literature which is pro-pornography. This book provides a critical counterpoint to this current academic trend, and demonstrates its lack of engagement with the politics of the multi-billion dollar pornography industry which creates the desire for the product it sells, the individualism of its arguments which analyse pornography as personal fantasy, and the paucity of theoretical analysis. In contrast, this book re-opens the feminist debate about pornography for a new generation of critical thinkers in the 21st century. Pornography matters politically and ethically. It matters in the real world as well as in fantasy; it matters to performers as well as to consumers; it matters to adults as well as to children; and it matters to men as well as to women.

Brill's Companion to Nonnus of Panopolis provides a collection of 32 essays by international scholars who explore the work of the most representative poet of Greek Late Antiquity, the author of the 'pagan' *Dionysiaca* and the 'Christian' Paraphrase of St John's Gospel.

Genre: Gender Bender Fiction Formerly incarcerated. Formerly a male. Formerly sure he'd made the right decision. Brad now Brandy, is a proverbial fish out of water in a world full of ravenous sharks and unavoidable complications, facing challenges she hadn't anticipated. With her parents on a mission to win an election, their son turned daughter is a distraction they don't need. But rehabilitated, she just may be their ticket to a deluge of much-needed sympathy votes. After an intervention from an expert, Brandy is seen as a hot commodity but not in the way anyone would've seen coming. When Brandy's male past and her female present world collide, she's forced to make an impossible choice: find a way to reclaim her manhood or stay feminine forever. This 35,000-word feminization story contains detailed descriptions of sex with a muscled man and domineering women with a firm touch of dominance. It's intended for those who love steamy tg stories involving men who changed into girls.

This book is a history of the genesis and development of vocational education for young women in the United States. Home economics, trade training and commercial education - the three key areas of vocational training available to young women during the progressive era - are the focus of this work. Beginning with a study of the "woman question", or what women were supposed to be, the book traces the three curriculum areas from prescription, through lively discussions of policy to the actual programs and student responses to the programs. The author tells the story of education for work from several different perspectives and draws on a vast array of sources to paint this broad canvas of vocational education for young women at the turn of the twentieth century.

In 1967, after a twin baby boy suffered a botched circumcision, his family agreed to a radical treatment that

would alter his gender. The case would become one of the most famous in modern medicine—and a total failure. As *Nature Made Him* tells the extraordinary story of David Reimer, who, when finally informed of his medical history, made the decision to live as a male. A macabre tale of medical arrogance, it is first and foremost a human drama of one man's—and one family's—amazing survival in the face of terrible odds.

'Becoming Nicole is a powerful and illuminating book about one couple's journey in coming to accept and nurture their transgender daughter. It's a page turner and a heart opener. I couldn't recommend it more highly.' Cheryl Strayed, author of *Wild* When Wayne and Kelly Maines adopted identical twin boys, they thought their lives were complete. But it wasn't long before they noticed a marked difference between Jonas and his brother, Wyatt. Jonas preferred sports and trucks and many of the things little boys were 'supposed' to like; but Wyatt liked princess dolls and dressing up and playing *Little Mermaid*. By the time the twins were toddlers, confusion over Wyatt's insistence that he was female began to tear the family apart. *Becoming Nicole* is the heart-wrenching story of a mother whose instincts told her that her child needed love and not disapproval; of a conservative, army-veteran father who overcame his deepest fears to embrace his new daughter; of a loving brother who never gave up supporting his twin sister; and of a town forced to confront its own prejudices. More than that, however, *Becoming Nicole* is the story of an extraordinary girl who fought for the right to be herself.

If you grew up in the era of mood rings and lava lamps, you probably remember *Free to Be . . . You and Me*--the groundbreaking children's record, book, and television special that debuted in 1972. Conceived by actress and producer Marlo Thomas and promoted by *Ms.* magazine, it captured the spirit of the growing women's movement and inspired girls and boys to challenge stereotypes, value cooperation, and respect diversity. In this lively collection marking the fortieth anniversary of *Free to Be . . . You and Me*, thirty-two contributors explore the creation and legacy of this popular children's classic. Featuring a prologue by Marlo Thomas, *When We Were Free to Be* offers an unprecedented insiders' view by the original creators, as well as accounts by activists and educators who changed the landscape of childhood in schools, homes, toy stores, and libraries nationwide. Essays document the rise of non-sexist children's culture during the 1970s and address how *Free to Be* still speaks to families today. Contributors are Alan Alda, Laura Briggs, Karl Bryant, Becky Friedman, Nancy Gruver, Carol Hall, Carole Hart, Dorothy Pitman Hughes, Joe Kelly, Cheryl Kilodavis, Dionne Kirschner, Francine Klagsbrun, Stephen Lawrence, Laura L.
