Basketball Drills, Plays and Strategies, The Confident Coach's Guide to Teaching Basketball, Coaching Basketball, Basketball Skills and Drills, Survival Guide for Coaching Youth Basketball, Coaching Basketball For Dummies, The Well-Prepared Coach - 30 Youth Basketball Practice Plans, Basketball: How to Create a Practice Plan, Coaching Basketball Successfully, Coaching Youth Basketball

The Only Resource You Need for a Standout Season All basketball coaches can use some fresh ideas for practice drills, game plays and strategies. Whether you are coaching beginners who need a place to start, or a successful team that just needs polish, Basketball Drills, Plays, and Strategies is a resource you can trust to produce positive results on the court. With over 160 drills and plays, this book covers every aspect of your season. It will help you run efficient and effective practices and improve your game in live competition. Step-by-step instructions, accompanied by diagrams and illustrations walk you and your players through every step of the way. Areas of the game that are covered in detail include: Fundamental skills like dribbling, shooting, passing, and rebounding Offense and defense Inbound and tip-off plays Presses and press breaks Conditioning drills Because each drill and play includes adjustments to make things easier for beginners and more difficult for advanced players, you will be able to rely on this resource throughout your coaching career no matter what level you are working with. So don't let time run out—start preparing for your next season today!

The complete guide for all basketball coaches.

Give Your Basketball Practices a Shot in the Arm! Use one of the 50 drills in Coaching Basketball to: - Increase practice intensity! - Build great basketball habits in your players! - Emphasize the little details of the game! - Never have a stale, boring practice! - Teach your players to have focused, controlled intensity when they play! Eight time Coach of the Year Kevin Sivils shares 50 drills designed to inject intensity to any practice. Illustrated with 108 diagrams to help clarify how the drills are to be taught and executed. 29 Photographs are included to illustrate the some of the concepts taught. This book will serve as an easy to use and valuable reference for any coach. Each drill is described in an easy to understand format. Sample practice plans to demonstrate how to schedule intensity drills into your practices are included. Rules and guidelines for planning entire practice sessions for maximum productivity and utilization of intensity drills are included as well. Drills to increase intensity in practice are included for: - Basic footwork and movement - Specific drills to focus on intensity - Passing and catching - Fast Break - Post Play - Defense - Rebounding - Shooting Make your practices more fun and productive by adding two-minute intensity drills to pick up the pace and intensity! Players love practices that move quickly and have high levels of intensity!

Before great basketball players developed their superstar flair, they built a solid base of fundamental skills in all phases of the game. Basketball Skills and Drills provides a blueprint for building the foundation that every well-rounded basketball player needs. The book also covers key team principles for both ends of the court. Tactics for offense, including special situations such as out-of-bounds plays, will improve spacing, ball and player movement, shot selection, and scoring. Defensive tactics emphasize positioning, pressure, and various systems to apply in each area or level of the court.

You volunteered to coach the basketball team, but are you really ready? How will you teach the fundamental skills, run effective practices, and harness the energy of your young team? Fear not: Survival Guide for Coaching Youth Basketball has the answers. Yes, the wildly popular and entertaining coaching guide is back in a new, updated, and expanded second edition. Longtime coaches Keith Miniscalco and Greg Kot return to share their experience and provide advice you can rely on from first practice to final shot. From evaluating players' skills and establishing realistic goals to using in-game coaching tips, it's all here—the drills, the plays, the fun. Develop your team's dribbling, passing, shooting, and rebounding skills with the Survival Guide's collection of the game's best youth drills. For plays and sets that young teams can actually run, flip to the Survival Guide's offensive and defensive playbook. And to get the most out of every practice, follow the ready-to-use practice plans. So worry not, coach. Survival Guide has helped countless coaches have rewarding and productive seasons—and a lot of fun along the way!

So you're thinking about volunteering to coach youth basketball? Great! You're in for a fun, rewarding experience. Whether you're new to the sport and looking for some guidance or you're a seasoned coach hunting for some fresh tips, Coaching Basketball For Dummies will help you command the court with confidence. Each friendly chapter is packed with expert advice on teaching the basics of basketball—from

dribbling and shooting to rebounding and defending—and guiding your kids to a fun-filled, stress-free season. You get a crash course in the rules and regulations of the game, as well as clear explanations of what all those lines, circles, and half-circle markings mean on the court. You'll assign team positions, run great practices, and work with both beginning and intermediate players of different age groups. You'll also see how to ramp up your players' skills and lead your team effectively during a game. This book will also help you discover how to:

- Develop your coaching philosophy
- Understand your league's rules
- Conduct a preseason parents' meeting—crucial for opening the lines of communication
- Teach offensive and defensive strategies
- Keep your kids healthy and injury-free
- Encourage good sportsmanship
- Make critical half-time adjustments during a game
- Help struggling players
- Address discipline problems and handle difficult parents
- Coach an All-Star or Travel team
- Complete with numerous offensive and defensive drills and tips for helping your kids relax before a game.

Coaching Basketball For Dummies is the fun and easy way to get the score on this worthwhile endeavor!

This book will provide youth basketball coaches a roadmap with thorough directions on how to conduct a season's worth of basketball practices. Be prepared to teach your players not only individual and team basketball skills, but also some important life lessons: the value of hard work, the importance of sportsmanship and the power and magic of teamwork. Perfect for 4th to 8th grade basketball teams, both boys and girls. Includes: 30, ninety-minute practice plans. Exercises, explanations and teaching points. 30 agendas and talking points for pre-court time meetings. A Driveway Workout for your players' off-season efforts. The Special Play a simple play that results in a surprising number of open lay-ups in games. Your players will be prepared for the first game and engaged throughout the season. Make the best use of your time together.

This eBook describes Coach Walter Carvalho's advanced techniques and methods for developing effective basketball-specific practice plan.

Legendary UCLA coach John Wooden once said, "People say Morgan Wootten is the best high school basketball coach in the country. I disagree. I know of no finer coach at any level—high school, college, or pro." Morgan Wootten has retired from coaching, but his knowledge of the game remains unsurpassed and keen as ever. Coaching Basketball Successfully contains a wealth of Wootten's timeless wisdom. And, in this third edition, Wootten adds even more value—the coaching experiences, methods, and tactics of his son Joe, a successful high school coach himself. Loaded with insights, instruction, drills, and Xs and Os, Coaching Basketball Successfully is the best single resource on making the most of your program, team, and players each season.

A book for youth basketball coaches and parents working with 6 to 14 year old athletes, describing in detail how to teach kids important basketball skills and strategies at a level that's just right for them.
